Hi Paul,

Thanks for sending the write up. I have few minor edits. Also, here is a good publication on endogenous DNA adducts and quantitation where they used BMD modeling. This might be of help.

(See attached file: Issues in SAB Appendix C slides_SV.docx)(See attached file: Paini et al Mutagenesis June 2011.pdf)

I promised to circulate the attached this morning - it has brief discussion of studies plus graphs discussed yesterday. It would be good to circulate to managers by noon time if agree useful for 4pm meeting.

Paul
